Yes, I agree we covered most of it in yesterday's call. I will be "out of the (home) office" next Friday for an appointment, but I should be able to call in during my drive or provide an update beforehand.

Melissa

I don't need a meeting today but can someone send me an email by next Wednesday just telling me the status of my work?

Adding Kate.

I would defer to Valois, Kate and Melissa on today's meeting.

Hi Everyone: given your brief report out on the above yesterday would you all be ok with waiting until next Friday's (7/31) DB Team meeting at 10 am to give us another update? This would be in lieu of more conversation today at 1:30 pm.

If so, let me know and I will cancel our 1:30 pm meeting today. Alternatively, we could still meet for a shorter period of time.

Thanks!
